Profile

A dedicated student working towards a diploma in General Diagnostic Medical Sonography with experience in organizing schedules, managing tasks and collaborating with peers. Specializing in attention to detail resulting in providing the highest standard of patient care. Looking to contribute my skills and experience to the imaging team at the Yukon Hospital.

Skills

- Navigates challenging situations with a positive attitude
- Prioritizes work flow schedule
- Absorbs new knowledge and skills actively
- Outstanding interpersonal and communication abilities

Education

Canadian National Institute of Health INC. (Accredited by the Sonography Canada) |
General Diagnostic Medical Sonography | May 2024 - Present

- Anticipated graduation in December 2025
- Acquiring skills in the practical aspects of infectious diseases and workplace infection prevention
- Introducing detailed anatomy across various imaging planes and modalities, focusing on normal anatomical structures, their relative locations to identify anatomy in different planes on imaging sources such as CT, MRI, ultrasound, illustrations, and cadaver images, covering the brain, neck, thorax, abdomen, male and female pelvis, and extremities
- Learning basic sound concepts required of a sonographer such as sound properties, sound units and sound measurements

Langara College | Medical Office Administrator | Graduated in December 2022

- Attained proficiency in performing a variety of administrative duties in doctors' offices, hospitals, medical clinics, and other medical settings
- Provided the basic knowledge and skills needed to meet industry requirements in medical transcription; clinical procedures and basic anatomy and physiology terminology

Langara College | Foundations in Health Studies | Graduated in August 2022

- Introduced human structures and functions emphasizing basic physiology principles plus cell and tissue structure

Work Experience

Brooke Radiology, Burnaby, BC | Clerk | January 2023 – December 2023

- Ensured a positive experience for patients undergoing imaging services by assisting with check-in, handling accurate records, and addressing billing and insurance inquiries

Art of Sauna and Spa, Burnaby, BC | Lead Receptionist | February 2022 – February 2023

- Actively engaged in training new team members and collaborated with managers to implement improvements for an enhanced client experience
- Encompassed providing excellent customer service and fostering a welcoming atmosphere

Volunteer Experience

Royal Columbian Hospital, Burnaby, BC (70 hours) | March 2023 – December 2023

- Served as a friendly face and often the first point of contact for patients and visitors, took on tasks such as conducting errands, escorting individuals to ensure a positive and supportive experience at the hospital

Queen's Park Care & Assisted Living, Burnaby, BC (30 hours) | February 2023 – September 2023

- Prioritized well-being of the residents by adhering to safety measures
- Contributed to residents' social interaction, competition, and overall enjoyment, aimed to add joy and enhance their quality of life

Certifications & Memberships

- IPAC Modules
- Standard First Aid + BLS
- Student member of Sonography Canada, OAMRS, and ARDMS
