Dear Yukon Hospital Hiring Manager,

Re: ULTRA001253

My name is Jenine Gutierrez and I am writing to express my interest in the full time Ultrasound Technologist position at Yukon Hospital as per your job posting on GRABJOBS. With my training as a diagnostic medical sonography student and 1 year of experience working as a Clerk, I am eager to apply my skills and passion to contribute positively to your team.

In my previous role as a Clerk at Brooke Radiology, I ensured a seamless patient experience by overseeing check-ins, managing records, and resolving billing issues. This role sharpened my attention to detail through accurate data entry, enhanced my adaptability by handling diverse patient scenarios and changing workflows, and strengthened my communication skills through clear and effective interactions with patients. These skills enabled me to work independently and address patient needs efficiently.

I am particularly impressed by Yukon Hospital's commitment to equity, fairness, cultural safety, diversity, and accessibility. Your focus on compassion, valuing people, and providing comfort and kindness aligns deeply with my own values. Additionally, your dedication to excellence through quality, safety, and continuous learning resonates with my professional goals. I am eager to contribute to an organization that upholds these high standards.

Given my background and dedication, I am confident that I will make a meaningful contribution to your team. Enclosed is my resume for your review. Feel free to contact me at (778) 847-9104. I look forward to discussing how my skills and experiences align with the requirements of Yukon Hospital. Thank you for your time and consideration.

Sincerely,

Jenine Gutierrez
